Trading Catalyst

- Computer Forms (M) Bhd (CFM) engages in the printing and distributing of computer forms, stock forms and specialised forms. Several products services offered by CFM include preprinted business forms, personalised cheque books, special printed cheques, land titles, vouchers and other commercial security items and data print services.
- Moving forward, CFM is will be acquiring 2 factory buildings within Klang Valley with a minimum targeted built-up area of approximately 30,000-sqf each to relocate its printing and flexible packaging operations, given that their existing lease tenure of their factory operations will expire in 2H23. The new factories will also house the existing and new machineries for the flexible packaging business.
- In bid to partly fund the above move, CFM has also proposed for private placement that entails 61.5m new shares (30.0%) of total shares issued to third party investors.
